Dear Mr. Babb:

The U.S. Environmental Protection Agency is undertaking a federal project involving a Class II commercial disposal underground injection permit issuance requested by Penneco Environmental Solutions, LLC of Delmont, Pennsylvania for its proposed Sedat #4A Well. EPA is accepting comments from the public on this proposed permit approval. The public comment period ends June 29, 2022.

Your office is invited to comment on draft permit decisions. This package contains copies of the public notice, a statement of basis and the draft permit developed by EPA for this facility. All permit application materials are available to your office on the EPA's website at <https://www.epa.gov/pa/epa-public-notice-pennsylvania>.
